When a friend recommended trying Saxon Math, I was open to anything. That was 20 years ago, and we haven't looked back! All six of my children have enjoyed and benefitted from using Saxon Math 3. With daily mental exercises, your students are memorizing key multiplication and division facts before they are even introduced formally, without realizing it. Already learned concepts are reinforced ...

When we started homeschooling, the one thing my kids asked was that we not use Saxon Math curriculum. The charter school they had attended used it and it was not their favorite. Let me say clearly I know lots of homeschool families that use and LOVE Saxon. It's just not a good fit for us. One of the very best things about homeschooling is that you can pick and choose what will work for ...
