But this article is a perfect example of how far it has

fallen. If they publish this drivel, they'll publish anything. This article does not make a coherent argument against debt. It just says "all debt is bad, and debt is lazy" -- which is not an argument. Here's a real argument: the math is overwhelmingly in favor of using low-risk debt (i.e. 30-year fixed rate conventional mortgages), which ...

John Keats was born in London on 31 October 1795, the eldest of Thomas and Frances Jennings Keats's four children. Although he died at the age of twenty-five, Keats had perhaps the most remarkable career of any English poet. He published only fifty-four poems, in three slim volumes and a few magazines. But over his short development he took on the challenges of a wide range of poetic forms ...

The double counterpoint of the Kyrie in Mozart's Requiem is still more indisputably identical with that of the last chorus of Handel's Joseph, and if the themes are common property their combination certainly is not. But the true plagiarist is the man who does not know the meaning of the ideas he copies, and the true creator is he in whose hands they remain or become true ideas. The theme ...
