Wilson Combat introduced a new line of pistols this week for more budget-conscious consumers. Known as the American Combat Pistols (ACP), these 1911s feature the same love, care, attention and materials that make Wilson Combat pistols popular just with fewer options and customizations which ultimately lowers the price.

Manual wind watches are the oldest technology dated back to the first pocket watches. With manual wind watches, every day or so you must physically wind the mainspring to store the required energy to power the mechanism. Automatic watches run on mechanical energy generated by the movement of the wearer's wrist which winds the mainspring then slowly and predictably releases power to the hands ...
