Renewable energy is also called "clean energy" or "green power" because it doesn't pollute the air or the water. Why don't we use renewable energy all the time? Unlike natural gas and coal, we can't store up wind and sunshine to use when we need to make more electricity. If the wind doesn't blow or the sun hides behind clouds, there sometimes isn't enough power for everyone. Another reason ...

Prayer is the flow of divine energy to the needs of others. We see this mainly in the life of Jesus who was able to speak words of healing to the sick and distressed, then bringing to them strength and wholeness. We can also be prayer channels through which the divine energy flows to the needs of others. Example: (Acts 9) Peter goes to the town of Joppa where a disciple named Tabitha — her ...

Run energy (sometimes called Energy or Stamina) allows players to run rather than walk around the landscape. Players move one tile per game tick while walking but move two tiles per game tick while running, making running twice as fast as walking. Run energy depletes while running, and turning on Run is only possible while a player has 1% energy or more.
