We had the Very Hungry Caterpillar as a board book from the time my kid was born until a cat hairballed on it a couple years later. I didn't replace it because I figured he was outgrowing board books anyway. However when we saw it as a paperback at his dentist's office a few weeks ago, he got so excited that I realized we need to own it again. The actual book however, didn't have the pages cut ...

Hungry traces Grace's story from growing up eating beige food to becoming one of the much-loved voices on the British food scene. It's also everyone's story - from treats with your nan, to cheese and pineapple hedgehogs, to the exquisite joy of cheaply-made apple crumble with custard. It's the high-point of a chip butty covered in vinegar and too much salt in the school canteen, on an ...
