An Introduction to Language (9th edition - International Edition) ... Politically correct (PC) language also reflects the idea that language can influence thought. Many people believe that by changing the way we talk, we can change the way we think; that if we eliminate racist and sexist terms from our language, we will become a less racist and sexist society. As we will discuss in chapter 10 ...

We do this because it gives credibility to what we say, but also because it credits the originator of the information and allows others to follow up if they need more information. Formal citing done for papers and projects takes this a step further. In addition to the reasons mentioned above, citing sources in academia provides evidence of your research process and helps you
